

Eagle Creek Sailing Club – PHRF Rating Request Form

Submit completed form to Rich Fox in-person or by e-mail to ecsc_scores@yahoo.com

Owner's Name: _____ Sail Number: _____

Manufacturer / Model: _____ Year Built: _____

Keel Type: Fin Retractable/Drop Swing Wing Rig Type: Standard Tall

Describe any modifications from manufacturer standard (or none): _____

I will sail one-design rating (ODR) spec only (J22, J24, Laser, Finn, Highlander, Flying Scot): YES NO

PHRF ratings are based on US Sailing information, various PHRF organizations, and observed performance. All boats are assumed to be in original manufacturer configuration. Red Fleet and Green Fleet boats will be assigned a one-design rating where commonly available. For all other boats, the assumed standard configuration is 1) spinnaker with a pole not to exceed the 'J' dimension, 2) head sail between 145% to 155%, 3) whisker pole no longer than head sail 'LP'.

Instructions: For each question in "Adjustment Description" column, answer by selecting "YES" or "NO" in third column.

		Base ECSC PHRF	
Adjustment Category	Adjustment Description	Does Adjustment apply to your boat?	Applied
Largest Head Sail %	Greater than ODR or 155% (Over-sized)?	YES NO	(Reviewed)
	130% to less than 145%?	YES NO	YES = +6
	Less than 130%?	YES NO	YES = +9
Roller Furler	Boat has a roller furling headsail?	YES NO	YES = +3
All Cruising Sails (Blue/White Fleet)	Dacron main sail and head sail will be used?	YES NO	YES = +6
Spinnaker	A spinnaker will be used?	YES NO	NO = +12
Spinnaker Pole Oversized	An oversized spinnaker pole will be used?	YES NO	YES = -3
Inboard Propeller	Boat has an inboard motor propeller?	YES NO	YES = +6
		Assigned ECSC PHRF	

Declaration: I state the above information to be correct. In the event that any of the above information should change, I will notify the ECSC Score Keeper prior to racing in a club series or regatta.
